Housing Statistics are provided by the Saint Paul Area Association of REALTORS® and are based on closed home sales as reported by the Regional Multiple Listing Service and include single-family homes, townhomes, and condominiums. Community-level data is based on RMLS districts. RMLS districts correspond somewhat with neighborhoods and city boundaries, but do not always conform to official municipal boundaries. For specific boundary definitions, contact the Saint Paul Area Association of REALTORS® at 651-776-6000. Maps are not to scale.
